This exploded view diagram illustrates the assembly of a mechanical component, likely a pump or motor. The components are numbered 1 through 10. The main assembly consists of a central shaft (1) with a series of impeller vanes (2) mounted on it. A circular end plate (3) is shown at the right end of the shaft. A small pin (4) is used to secure the assembly. A separate component (5) is shown at the bottom, which appears to be a housing or a base. A circular component (6) with a serrated edge is shown at the top right. A small pin (7) is shown near the center of the assembly. A small pin (8) is shown near the bottom of the assembly. A small pin (9) is shown near the top of the assembly. A small pin (10) is shown near the bottom of the assembly.
